SCIENCE

Information for ordering the Science OER books can be found on the USBE Science Website:
<https://www.schools.utah.gov/curr/science?mid=1128&tid=5>

Current science OER books cost between \$2.75 - \$5.99 per student book and can be purchased through Office Depot – ordering information is found on the website linked above.

Schools can purchase a classroom set of books per grade level, grades 1-6.
